Sunseeker Supreme

The impressive 'Supreme' has arrived at Arrow Bank

The light and space in a Sunseeker Supreme holiday home is quite special. Reaching through the living area to the kitchen/dining area it amplifies the experience and wraps around you from the moment one first steps inside.

Open plan living is spacious, stylish and, more importantly(?), practical. A side entrance door leads into a hallway - a great 'buffer' when the weather is less than spectacular!

A family shower room is next to a guest bedroom (twin beds) and the master bedroom - at the rear of the holiday home - is a relaxing, self-contained haven with an en-suite shower room.

It's never easy to explain just how lovely a holiday home is, maybe you'll just have to come and see for yourself.
